The City is divided by the Vltava River and features some of the most beautiful architecture and historic buildings you will ever see. Some of the sights include but are not limited to are: The Prague Castle, St. Vitus Cathedral, Charles Bridge, the Historical Astronomical Clock in the Old Town Square, Brewery Tour, and the Ruckl Crystal Factory.

Evening Dinner Cruise on the Vltava River

Prague Castle During the Sunset

Prague Castle Tour: *For me, this is one of the most beautiful sights in the world! It is the largest Castle in the world and the history is incredible. It has always been one of the favorite tours on the trip.*

The Charles Bridge: *Discover the History of the Construction of this Bridge*

Players and their Families will walk across the Charles Bridge Built in 1402

Staropramen Brewery Tour: The Czech Beer is considered by many to be the best in the world. Of course, there are many Countries who will debate this however it is a great Tour and will give you an insight on the History and the process of making beer. For more information: www.staropramen.com

THE TRIP INCLUDES A TOUR OF THE TEREZIN PRISON CAMP

TEREZIN was a concentration camp 30 miles north of Prague in the Czech Republic during the World War II. It was originally a holiday resort reserved for Czech nobility. Terezín is contained within the walls of the famed fortress Theresienstadt, which was created by Emperor Joseph II of Austria in the late 18th century and named in honor of his mother, Empress Maria Theresa.

By 1940 Nazi Germany had assigned the Gestapo to turn Terezín into a Jewish ghetto and concentration camp. It held primarily Jews from Czechoslovakia, as well as tens of thousands of Jews deported chiefly from Germany and Austria, as well as hundreds from the Netherlands and Denmark. More than 150,000 Jews were sent there, including 15,000 children, and held there for months or years.

The Rückl Crystal Factory Tour

The Rückl family glassworks is renowned for top-quality cut crystal since 1846. However, glass-melting tradition and time-tested glassmaking techniques have been handed down in this family from generation to generation for some three hundred years.

During our guided tour of the Rückl glassworks, visitors may witness all the individual steps and traditional techniques of the glass-manufacturing process. Each stage of crystal production is explained and shown, including the art of mouth-blowing, delicate processes of the quality control, incredible craftsmanship of glass cutting and the painters studio.

At the end of the Tour, Players and their families will have the opportunity to purchase some of the finest Lead Crystal in the world at the cheapest price possible. The Rückl Family has been commissioned to produce Crystal Trophies for some of the Top Sporting Championships in the world including the replica Stanley Cup that is pictured to the left with Wayne Smith and Matej Hanak.
